HON FRANKLIN D ROOSEVELT  
THE WHITE HOUSE

TO OUR DEAR PRESIDENT:

We wish to inform your Excellency that the Sixth Annual Exhibition of the Ship Model Maker's Club will be held at the Canadian Pacific Railway Offices, dates as follows; Preview party for invited guests 8.00 PM Sat. May 16th, window exhibit for the public May 18th to May 30th

This is sponsored by Mr Gordon Grant and has no commercial significance.

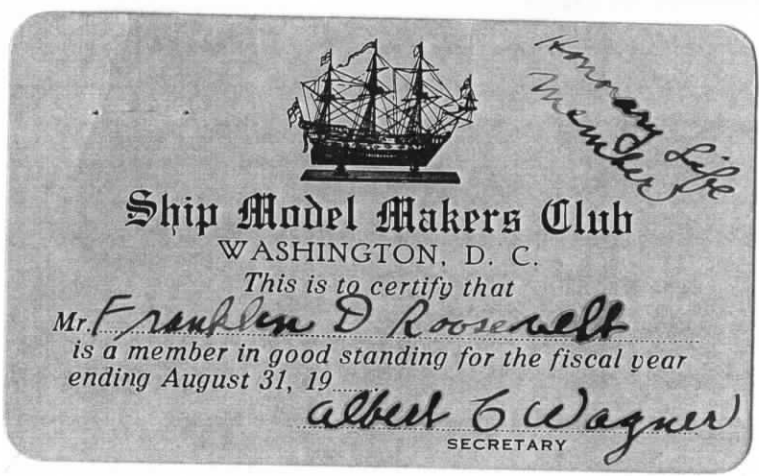

The Yard hopes that the President will this year place an item or two with us as you did at the New York Hobby Show last year, sponsor our venture and attend our party or if it is your desire view the exhibit privately. I can arrange this.

Your name on our rolls by your graciousness on Feb 27th, 1933 is still an inspiration to the Yard.

Most Respectfully,

*Albert C Wagner*

My dear Mr. Wagner:

Your letter of March eighteenth to the President has been received, and he wants you to know that he appreciates your courtesy in sending him the enclosed membership card.

He was much interested to learn of your plans for the Sixth Annual Exhibition, and has asked me to tell you that if you want one of his models to exhibit, he will be very glad to loan one to you for that purpose and you can arrange to come to the White House sometime in May to get it. You should get in touch with Mr. Raymond Muir, the Chief Usher at the White House, if you desire to exhibit the model.

With best wishes for the success of your Exhibition,

Very sincerely yours,
